

Skilled. Experienced. Invisible.

Let's change the last one. Measurably.

An economic empowerment programme for migrant entrepreneurs in the Netherlands. Delivered in person.

The Netherlands is full of skilled migrants who started a business and stalled. Not for lack of competence, but for lack of structure to make their business visible. ReSTART starts where traditional integration programmes stop: visibility, first clients and a marketing system each entrepreneur runs alone.

How a Sponsored Cohort works

- 1 Cohort composed together**
Up to 12 entrepreneurs from your community.
- 2 4 practical sessions (2.5h, in person)**
Message, digital presence, content routine, 90-day plan.
- 3 Hosting + domain included**
Every business finishes actually online.
- 4 Check-ins at day 30, 60 and 90**
Execution, not just attendance.
- 5 Closing event + Impact Report**
Certificates, presentations and your report.

What your organisation gets

- ♦ **Impact Report**
Digital presence, first clients, confidence scores, KVK formalisations. Ready for your own funders.
- ♦ **Certificates & final event**
Tangible, visible, photographable outcomes.
- ♦ **Your brand on the cohort**
Aligned with your mission and reporting language.
- ♦ **ReStart Support Places**
Subsidised seats that extend your social mission.
